Your signature indicates that you have read, understood & agree to the terms below and the pricing issued on this sheet for the minimum contract period of 12 months. Contracts automatically roll over for a further 12 months on the anniversary date of activation. This will incur a full further 12 month agreement that is placed upon us by Inmarsat. Cancellation of contract must be notified in writing .
It is your obligation to insure excessive/unexpected usage is not caused by automated update software; an example of this is windows update. Please ensure this and other programs have their automated update functions switched off.
All costs, however incurred, from connected equipment both wired & wireless to the system are your responsibility.
NB Under no circumstances should any wireless access point (or similar) be connected without suitable encryption enabled.
